Summary
Frontend developer who cares about accessible, responsive interfaces.

Education
B.Sc Computer Science, 2026

Skills
HTML, CSS, JavaScript, React, Redux, Tailwind CSS, Bootstrap, Figma, Git, GitHub, Vite, Jest

Projects
Portfolio Website - React, Vite and Tailwind CSS with responsive layouts.
E-commerce UI - React, Redux and REST APIs consumed from a mock backend.
Weather App - JavaScript, HTML and CSS using a public REST API.

Experience
Frontend Intern, 4 months. Built React components, wrote unit tests with Jest and worked in an Agile team.
Good communication and teamwork.
